

Washington Freedom Fastpitch

Playing to honor our Veterans who fought for our FREEDOM!

Goal- is to balance a high level of training and knowledge with the development of a love for the game. Our teams are looking for highly competitive players who are interested in playing at the next level, while always keeping a fun team first atmosphere. Playing time will be based on; competition, effort, attendance, attitude, and coaches decisions. Playing time is not guaranteed. However it is in our best interest if we have a highly competitive environment that creates a fun and winning atmosphere where everyone thrives and improves with plenty of playing time and exposure for all of our Freedom players.

Success- our teams' expectation are to put our players in front of colleges and help create better players, teammates & people. As a coaching staff we have coached teams to multiple state championships, World Series Appearances, and Canada Cup International Championships.

Missing a Deadline could result in suspension or removal of player from all team activities. Each situation will be handled in a case by case nature, THERE WILL BE NO REFUNDS OF PLAYER FEES.

Commitment-1-2 practices weekly/ highly competitive workouts with conditioning, Outdoor practice when weather permits (practice t-shirts and pants required at all practices), continued missing of team functions, practices, or games will affect playing time and standing of the individual player.

Fundraising opportunities- There will be a couple opportunities throughout the year for families to reduce their financial responsibility to the team through participation in fundraisers.

There will be team fundraisers, as organized by volunteers (coaches will not be organizing fundraisers, we will encourage, support, and be involved where possible); examples- car wash, sponsor drive, raffles, volunteer positions, etc.

We will be asking for volunteers to help with team functions;
